## BUCKINGHAM NAMED IN FOUR EVENTS

# INDIANA AND SO. CALIFORNIA GAINS MOST PLACES IN '67 ALL AMERICA

by G. Robert Mowerson, Chairman  
NCAA All-America Selection Committee  
Swimming Coach, University of Minnesota

Minneapolis, Minn. — Indiana and Southern California lead the field in the 1967 NCAA All-America Selections, announces G. Robert Mowerson, chairman of the selections committee and swimming coach at the University of Minnesota.

Indiana holds twenty-three spots on the team, with nine in diving. The school also is credited with three relays. Southern California takes a close second with twenty-two swimming places and three relays.

Third highest is Stanford with fifteen spots. Stanford also took three relays, with two firsts here.

Thirty-five schools are represented on the 1967 All-America; this is one more than last year.

The winner of each event at the NCAA Championships is automatically selected for the top spot on the All-America. And the second place winner is given the second spot on the team. After that, it is primarily on the basis of verified times through the season with performance at the NCAA's taking precedence over all else (providing the athletes were there), and next the performance in the Conference or Regional Championships, and lastly performance in dual meets. No distinction is made in the certificates awarded except that the NCAA winner will have this noted on his certificate.

Among the ten men who will receive their certificates with indication of having won the NCAA event is Carl J. Robie, University of Michigan, who was able to retain his first place ranking in the 200 yd. butterfly.

Also receiving certificates this year are: Zachary Zorn, Calif. at Los Angeles, 50 free; Kenneth M. Walsh, Michigan State, 100 free; Gregory F. Buckingham, Stanford, 200 and 500 free; Michael J. Burton, Calif. at Los Angeles, 1650 free; Ross E. Wales, Princeton, 100 fly; Charles B. Hickcox, Indiana, 100 and 200 backstroke; Kenneth O. Merten, Southern Methodist, 100 and 200 breaststroke; Richard W. Roth, Stanford, 200 and 400 individual medley; Kenneth R. Sitzberger, Indiana, 1- and 3-meter dive.

In the individual selections Buckingham led the way by being picked in four events and was a member of the first place 800 yd. free style relay.

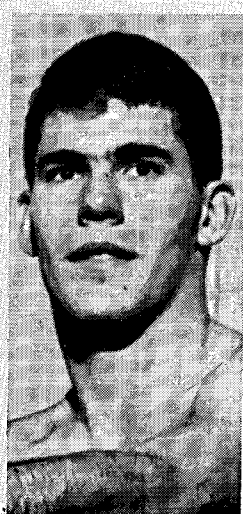

Next highest with three selections each are: Walsh; Burton; Robbie; Dean Willeford, Southern California; Donald A. Schollander, Yale; William A. Utley, Indiana; and Robert G. Windle, Indiana.

30 PREPS REPRESENTED ON 1967 ALL AMERICA

# LYON, FRAWLEY, HAIRSTON SET NEW RECORDS

(Editor's note - Pratt has issued the following statement of policy regarding school eligibility for the Prep School All American Swimming Team: "All private independent schools such as those listed in Porter Sargent's 'The Handbook of Private Schools' (published annually at 11 Beacon Street, Boston, Mass.) are eligible. As is the case for National Interscholastic Records, Parochial High Schools will be classified as High Schools and should make application to the High School All American Team (see 1967 NCAA GUIDE - page 21, RULE IX, Section 8). A Parochial High School is loosely defined as a Church affiliated day school set up for the education of members of a particular parish or diocese. The categories Parochial High Schools and Preparatory Schools in which tuition is charged are not always mutually exclusive. In such cases a written declaration from the principal or headmaster is required before a school can be included in the Preparatory School classification.")

Lawrenceville, New Jersey - Eighty-nine swimmers and divers, from 30 schools are represented on the National Interscholastic Swimming Coaches Association 1967 Prep School All American Swimming Team, announces Philip G. Pratt, Lawrenceville School, chairman of the Prep All American Committee.

ROGER LYON

Last year when two new NISCA prep records were set, Pratt remarked, "Next year will see further improvement as many of the best times were achieved by juniors." And his prediction proved true; this year six records were broken.

Roger Lyon, a senior at Harvard School, clipped one and six-tenths seconds off his own 200 yd. (SC) freestyle record of 1:46.0, set last year, with a 1:44.4 clocking. He also ranked number one in the 100 yd. butterfly with a 50.8, breaking the 52.0 mark set by Philip Riker III (Lawrenceville) in 1964. Lyon's third first was in the 400 yd. freestyle, 3:53.9. And he was an All American nominee in four other events for a total of seven mentions.

Daniel Frawley (Servite) and Steve Hairston (Pine Crest) set the other two individual records. Frawley with a 21.5 in the 50 yd. freestyle won over Hairston's 21.7 and wiped out the 21.9 set by James Edward III (Williston, Acad.) in 1965. And Hairston with a 47.4 in the 100 yd. freestyle broke Edward's 48.0 set in 1965.

The Punahou and Pine Crest relay teams are credited with the final new marks. Punahou (Marc Greenwell, Mark Chun, Richard Guelff, Brent Berk) did the 200 yd.

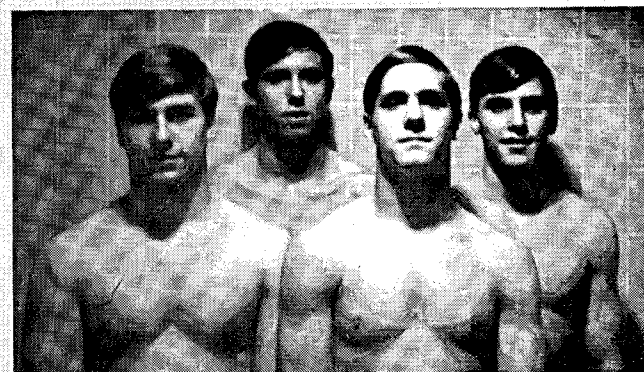

medley relay in 1:40.6 to top the school's own (sc) record of 1:40.9 set in 1965. Greenwell was on the 1965 team. The Pine Crest team (Steve Hairston, Jorge Gonzales, George Schmidt, Randy Wilkins) clipped more than six seconds off the 3:20.8 mark set by Lawrenceville in 1966 in the 400 yd. freestyle relay, with a new clocking of 3:14.3.

George Schmidt is number one in the 200 yd. individual medley, 2:01.3, and he is mentioned in two other events. Mark McKee (Malvern) was second with, 2:01.6.

First in the 100 yd. backstroke is Aaron Picadura, Kamehameha, at 55.8. And Dan Connors (Newark) had the fastest time for the 100 yd. breaststroke, 1:02.2, followed by Ken Terry, Iolani, 1:02.5.

Repeating on the Prep All American 1-meter diving team were: Tom Brissey (Mid-Pacific Institute), Jim Burns (Deerfield), Don Orlovsky (Newark).

The schools with the top number of All America Prep rankings were, Pine Crest with 14 individual and two relays, St. Andrew's, 11 individual and two relays, University, nine individual and one relay, Punahou, six individual and two relays, Newark, five individual and two relays, Harvard, seven individual, Malvern, six individual and one relay, and Mercersburg and Lawrenceville, each with four individual and two relays.

## HUTTON PACES FOOTHILL COLLEGE TO TOP NCAA JC ALL AMERICA RANKINGS

Ralph Hutton and his Foothill College teammates dominate the Junior College 1967 All American Team, announces John Stonebreaker, Mt. San Antonio College, who compiled the NCAA Junior College list.

The Foothill team, which led last year with 29 selections, improved its lead to 37 nominees, including eight mentions for Hutton. Second place this year went to Los Angeles Valley College, 15, followed by Long Beach, third, 13.

Thirty-one schools are represented on this year's All America team.

Hutton scored four first places: 500 yd. freestyle, 4:42.1 and 200 yd. backstroke, 1:59.5, both for new Junior College records; 100 yd. backstroke, 56.3, with John Lutz (Chabot), second, and John Mattos (Fullerton), third, both with 56.9; and 400 yd. individual medley, 4:16.5. Hutton also ranked third in the 200 yd. freestyle, 1:46.4; second in the 1650 freestyle, 16:52.2; sixth in the 200 yd. butterfly, 2:02.6; and fourth in the 200 yd. individual medley, 2:03.7.

Pat Yelovich (Harbor) led in three events: 100 yd. butterfly, 51.7, with Ingvar Eriksson (Foothill), second, 52.0; 200 yd. butterfly, 1:56.4, again with Eriksson, second, 1:56.5; and 200 yd. individual medley, 1:59.9. For Yelovich, his first place ranking in the 200 yd. butterfly was a repeat from the 1966 rankings.

Double firsts went to George Watson (Foothill) and Don McKenzie (LA Valley). Watson set two new Junior College records with his 1:44.7 to retain his first place 1966 pick in the 200 yd. freestyle, and 16:44.1 in the 1650 yd. freestyle. McKenzie set a new JC record in the 100 yd. breaststroke, 59.7, and also was first in the 200 yd. breaststroke, 2:14.8.

Ken Hammer (Cerritos) and Dennis Putman (Long Beach) led in the 50 yd. freestyle, both having 21.7 (new JC record) with Bob Kammeyer (Foothill), third, 21.8. In the 100 yd. freestyle, Putman set a new JC record, 46.7, followed by Hammer, 47.2.

Putman received five mentions and Hammer had four. Others with multiple rankings were Eriksson, five; Ronald Bruce (Santa Ana), six; and David Kerr (Sequoias), five.

The Foothill teams were first in all three relay events, with the team of D. Oliver, F. Augenstein, D. Lee and R. Hutton setting a new record in the 800 yd. freestyle relay 7:20.1. The 400 yd. freestyle team (Eriksson, Hutton, Watson, Kammeyer) was first, 3:15.8 as was the school's 400 yd. medley relay team (Hutton, White, Eriksson, Kammeyer), 3:38.9.

Top divers on the All American team, who were named for both springboard events were: Greg Bryan (El Camino), Gordon Creed (Foothill), Gary Dahle (Foothill), Doug Denton (Riverside), Dennis Golden (Citrus), Frank Groff (Foothill), Dennis Hope (Diablo), Rusty McCarthy (LA Valley), Charles Riggs (Riverside) and Rich Simmons (Chabot).

## BIRMINGHAM WINS EIGHTH STRAIGHT L.A. CITY CROWN 7 RECORDS SET, FOOTE SETS FLY MARK

Beverly Hills, Calif. — Nick Rodionoff's Birmingham Braves captured their eighth straight Los Angeles City "A" swimming crown as they almost doubled their point margin over runnerup Palisades, scoring 92 to Pali's 47. San Pedro with 31 and Grant, 30 were simply outgunned and too thin to offer much of a challenge to the perennial champs. The Braves also won the "B" championship with 88-1/2 points to Grant's 67-1/2 and Palisades 32. But Grant stopped the victory parade as they won the "C" division, 69-1/2 to runnerup Palisades 35. San Pedro 26 and Granada Hills, 23-1/2 and Chatsworth 20 rounded out the top five.

New Los Angeles City High School records were set in the 200 yard medley relay, 200 yard freestyle, 200 yard individual medley 100 yard butterfly, 400 yard freestyle, 100 yard breaststroke and 400 yard freestyle relay.

The Birmingham quartet of Rodney Skinner, Mike Griffin, John Balant and Jeff McConnel returned 1:42.0 for the 200 yard medley relay as Monroe was a distant second in 1:44.9.

Terry Foote, Palisades, the meet's only double winner, set a new City mark in the 100 yard butterfly as he upset the defending champion Glen Hughes. Foote clocked 53.2, Hughes 53.8 and Mark Doyle, Grant, a distant third, 55.4. Foote, a junior, had earlier won the 50 yard freestyle, in 22.6, barely touching out Hughes who was timed in 22.7.

Tim Norlan, a Birmingham sophomore, set a record to win the 200 yard freestyle, 1:48.9, as San Pedro's defending champion, Charles Dragicevich, faded in the last two strokes, clocking 1:49.3. Dick Zimmer, Palisades, 1:51.3 was third.

Mike Thomas, Verdugo Hills senior, successfully defended his 200 yard individual medley crown as he lowered his own record to win in the time of 2:04.9. Thomas trailed Wayne Pugh, Birmingham until the end of the breaststroke leg. On this leg, the victor wiped out the 10 feet lead enjoyed by Pugh and went on to easily win his second City medley crown in as many years. Pugh clocked 2:05.8.

In the breaststroke, Thomas went down to defeat though he lowered his City mark by achieving 1:03.2. But this evening, Greg Mader, Chatsworth, went even faster, 1:03.0 for his record and an upset of the 1966 champion.

Wayne Pugh successfully retained his 400 yard freestyle title as the 1966 kingpin trailed the two early leaders, Norlan and Dragicevich for 300 yards, and then made up the three yard deficit with a blistering sprint to win by a body length over Norlan, 3:56.9 to 3:58.2. Dragicevich was timed in 3:59.5 for third.

The last record came in the 400 yard freestyle relay as the Birmingham relay team of McConnel, Lindner, Norlan and Pugh came from behind to nip Grant 3:21.7 to 3:22.2.

John Balant, Birmingham, almost pulled off a surprising double. He placed second in the springboard diving, 213.95 to the winner, Mike Thomas, Canoga Park, 226.35. Defending champion, Sonny Gossick, Reseda, was third 213.45. Balant scored his upset in winning the 100 yard backstroke three events later. He clocked 58.4, with teammate Rocky Skinner, 59.0 second and Taft's Dick Marting, third 1:01.3.

A Palisades sophomore, Dick Zimmer won the 100 yard freestyle in 50.0 with Birmingham's Jeff McConnel 50.4 and Gary Johns, Grant 50.8 trailing in that order.

JAMISON, HAYWOOD, JOB TAKE FIRSTS

# SPITZ - SANTA CLARA HIGH - NATION'S BEST

Detroit, Mich.—Mark Spitz and the Santa Clara High School team, coached by George Haines, for the second straight year so dominated the high school All America listings (20 mentions) that only in the breaststroke did a Santa Clara swimmer fail to hold the first place ranking. The California team compiled the most outstanding record ever achieved.

Spitz, now a junior, led the 1967 National Interscholastic Swimming Coaches Association High School All America listing in four individual (sc) events: the 200 yd. freestyle (1:43.6); 400 yd. freestyle (3:38.9); 100 yd. butterfly (49.1); and the 200 yd. individual medley (1:54.4), all are National High School records with the butterfly and medley times also establishing American records. He was fourth in the 100 yd. freestyle with a time of 48.0.

The Santa Clara relay teams again took first all American rankings in both relays and lowered their records set last year. Mitch Ivey, Jack Faunce, Spitz and Bob Jamison reduced the 200 yd. medley relay time to 1:36.7; and Jamison, Rick Eagleston, Fred Haywood and Spitz set the 400 freestyle relay mark at 3:06.8.

Jamison made an outstanding showing with two firsts of his three individual mentions: a new high school record in the 100 yd. freestyle (46.6); first in the 50 yd. freestyle (21.6); and was listed 13th in the 200 yd. freestyle (1:47.6).

Tied for second in the 50 yd. freestyle were Louis Janos, Miami Springs High School, Fla. (who led the nation in 1966 with 21.4 but this year could do no better than 21.7.); Lee Bradford, Avondale High School, Ga.; and Dirk Van Hoesen, Deerfield High School, Ill.

Eagleston of Santa Clara followed Jamison in the 100 yd. freestyle with a 47.4.

Fred Haywood, another Santa Clara, set a new national high school record for the 100 yd. backstroke (53.1), followed by teammate Mitch Ivey (53.2).

Another national high school mark was credited to Brian Job, Kent State High School, Ohio. He erased Jack Faunce's (Santa Clara) 1966 record of 1:00.7 for the 100 breaststroke with a 1:00.6. Van Hoesen was second, 1:01.1.

In diving, Mike Chalbeck, Madera High School, Calif.; John Huffstutter, Newark, Ohio; Dick Rydze, Mt. Lebanon, Pa.; Gary Gibboney, John Adams, Ind.; Doug Malin, Hinsdale, Ill.; and Ted Nichols, Palo Alto, Calif., were among the 24 honorees.

Other noteworthy achievements were by John Ferris, Rio Americano High, Calif., named in four individual events, and Alan West, Memorial High, Tex., with three individuals.

Ferris was third in the 200 yd. individual medley (1:59.9); third in the 100 yd. butterfly (52.2); listed 14th in the 200 yd. freestyle (1:47.6) and 15th in the 400 yd. freestyle (3:52.8).

West had three individual mentions: 5th in the 100 yd. freestyle (48.0); 8th in the 200 yd. freestyle (1:46.5); and 15th in the 50 yd. freestyle (22.1). His school's team (West, Helman, Suchecki, McMillion) was second in the 400 yd. freestyle relay (3:16.7).

Again this year California led the nation in individual

swimming events, with 65 rankings out of a possible 187 listings. Southern California claimed 51 individual listings, while the northern swimmers gained 15. In the relay All America listings, Southern California had 8 mentions and Northern California, four, for a state total of 12 out of a possible 41.

California's strength is due greatly to its strong freestyle swimmers, who were able to amass seven of the top 10 positions in the 200 yd. freestyle listings and nine of the first eleven 400 yd. freestyle positions.

Californians placing high in the 200 yd. listings were: Spitz; Andrew Strenk, Fullerton High; Mike Allen, Palo Alto High; Fred Haywood; Mike Martin, Corona del Mar High; Steve Genter, Lakewood High; and Dave O'Malley, Los Altos High.

Those claiming the nine high 400 yd. freestyle positions were: Spitz; Genter; Trevor Charlton, Arcadia High; Strenk; Allen; Martin; Steve Frlekin, Lasuen High; Tod Spieker, Menlo Atherton High; and Mark Shelley, McClatchey High.

The only threats to the California swimmers in these top place rankings were provided by Tom Ludwig, Baldwin High, Pa., with his fast second place times in both the 200 and 400 yd. freestyle events, 1:45.4 and 3:45.0, respectively; Alan West, Memorial High, Tex., and Jerry Heindenreich, Hillcrest High, Tex., in the 200 yd. event; and Jody Helman, Memorial High, in the 400 yd. event.

Illinois swimmers continued to win a strong position on the national picture with 23 individual mentions and 15 relay rankings.

Third highest in state rankings was Texas with 22 individual and two relay mentions.

Twenty-five other states placed men in the All America rankings. Ohio with eight individual swimming postings and six relays placed fourth in overall standings, followed by Florida, 10 individual and one relay; Pennsylvania, nine individual, one relay; Michigan, six individual, two relay; Kansas, six individual; New York, three individual, one relay; Utah, New Jersey, Minnesota, Indiana and Colorado, each with three individual; Georgia, Iowa, Nebraska, Oregon and Virginia, each with two individual; Oklahoma, one individual and one relay; and Wisconsin, New Mexico, Kentucky, Louisiana, Maine, Massachusetts, Missouri and Rhode Island, each with one individual.

SWIMMING WORLD'S exclusive column, "Where Are They Now", giving the college of each all America, will appear in the October issue.
