SPITZ CLOSES HIGH SCHOOL CAREER WITH FOUR FIRSTS

Detroit, Michigan—On a cold rainy day, one of the great high school swimmers of all time swam his last high school race and leaves the honor roll of scholastic swimming with a record that will seldom be equalled.

For the third straight year, Mark Spitz, Santa Clara High School, made a shambles of high school records as he placed first in four individual events, second in another, tied for third in still another and helped his school nail down the premiere position in both the 200 yard medley and 400 yard freestyle relays. Only in the breaststrokdid the 18-year 5'11", 155 pound swimmer fail to make the National Interscholastic Swimming Coaches Association All America, the official high school All American for this nation.

Ralph Deetz, Chairman of the All America selection committee, reported that this year's All American selections were the fastest ever, with greater depth in all four strokes. Like Spitz, the schoolby swimmers lowered the standards for All American rankings so that the 20th place cut-ff in 100 yard butterfly was 53.9; 100 yard freestyle, 48.8; 100 yard backstroke, 56.3; the 400 yd. freestyle 3:52.9; and the 100 yd. breaststroke 1:03.2. As standards fell, so did the records.

Mark Spitz, who shared the listed National Interscholastic High School Record of 1:43.6 in the 200 yd. freestyle with Don Schollander, knocked more than three seconds off the listed mark, as he clocked 1:40.5. In the 100 yd. freestyle he lowered the listed Scholastic record of 46.6 to 46.0, though he has a faster clocking of 45.6 set on the leadoff leg of the Santa Clara freestyle relay. In the 400 yd. freestyle, the Santa Claran lowered his listed record of 3:38.9 to 3:38.0.

Spitz's teammate, Brian Job, a junior, lowered his National Scholastic mark in the 100 yd. breaststroke from 1:00.6 to 59.2. David Edgar, Ft. Lauderdale High School senior, lowered the 50 yd. freestyle mark of 21.4 set by Louis Janos in 1967 to a 21.2.

High school swimmers are a substantial part of the United States swimming picture. No less than four individual titles were won by schoolboys, at the 1968 National AAU Short Course Championships. The boys were Mark Spitz, Gary Hall and Brian Job. John Kinsella and Frank Heckl were runnersup and Bill Baird, Larry Barbiere, Jack Horsley, Ray Rivero and Marc Gilliam all made the championship finals.

Though 24 states made mention in the NISCA All American rankings, California swimmers dominated, receiving 69 individual rankings and 17 relays. Illinois, the perennial runnerup, enjoyed 22 individual rankings and 10 relays, followed by Pennsylvania, nine and four; Florida, nine and two; Ohio, eight and two; Texas, 11 individual; New York, six individual; Michigan, four individual and three relays, and Indiana five individual.

The swimmers from the west were exceptionally strong in the freestyle and medley events. They were weakest in depth in the butterfly and breaststroke, the latter event being the best for Pennsylvania swimmers where they produced four of their nine individual mentions.

The All American list goes twenty deep, and if more than one swimmer ties for the twentieth place, all of those who tied are given

All American recognition.

An indication of the dominance of California is revealed that of the approximate 20 places open for each individual event, they placed II men each in the 200 freestyle, the 50 freestyle, and the 400 freestyle, ten in the individual medley and nine in the backstroke and 100 yd. freestyle. Even more convincing is their placing of ten teams in the freestyle relay and seven in the medley. In the relays, Illinois showed depth, especially in medley, as teams from Illinois place six in the All America rankings.

Ralph Deetz advised that due to a mailing deficiency in the office, the times submitted by Arcadia High School, California, had been accepted. This increased the number of awardees in three events and the relays.

Other states who made the All America were: Wisconsin, three individual and one relay, Iowa, two and two: Maryland, one and one; Ohio, one and one; Minnesota, one and two; Oklahoma, three individual; Arizona, three individual; Colorado, three; New Jersey and Oregon each with two individual rankings; Missouri, North Carolina, Kentucky, Utah and Kansas each had one individual ranking.

First place rankings, in addition to the new record nominees included Mark Spitz, 100 yard butterfly, 49.2; Gary Hall, Rancho Alamitos, 200 yd. individual medley, 1:57.4; Reed Slevin, Penn Hills, Steve Doyle, Santa Clara, and Charles Campbell, Arcadia, all clocked 54.6 for 100 yd. backstroke; Santa Clara High School (Rivero, Job, Spitz, Windes) 1:39.0 for 200 yd. medley relay; and Santa Clara High School (Spitz, Diaz, Vogt, Windes) 3:12.3 for 400 yd. freestyle.

Many other notable times were recorded by the nationally ranked high school mermen. John Kinsella, Hinsdale, clocked 3:45.7 for 400 free (4th), 1:44.5 for 200 free (3rd) and 48.0 for 100 free (10th); Frank Heckl, Lynwood, 1:42.9 for 200 free (2nd), 21.8 for 50 free (tied for third), 53.0 for 100 fly (7th), 46.3 for 100 free (2nd), Paul Tietze, Bartlesville, 1:44.8 for 200 free (4th), 47.1 for 100 free (3rd), 21.8 for 50 free (tie for 3rd); William Baird, Kent State, 1:45.4 for 200 free (7th), 3:45.2 for 400 free (3rd); Marc Gilliam, Rock Island, 51.7 for 100 fly (2nd); and Jerry Heidenrich, Hillcrest (Dallas), 1:45.9 for 200 free (8th), 22.2 for 50 free (tie for 14th), 2:03.3 for 200 individual medley (13th), 56.0 for 100 back (tie for 14th) and a 3:53.6 for 400 free (Honorable Mention -22nd).

The complete High School All America and Honorable Mentions are on page 50.

FOOTHILL COLLEGE DOMINATES

J.C. ALL AMERICA PACED BY HUTTON, CHARLTON & BECK

by William Ralls, Swimming Coach, Citrus College

Nort Thornton's Foothill College swimmers dominated the 1968 Junior College All-American team just as they did last year. Sixteen swimmers and divers from the San Franscisco Bay area campus were selected for 37 individual and 3 relay placings in the 18 events in which All-American rating may be achieved. Chabot College, also from Northern California, was second with 18 selections, Pasadena City College and Fullerton Junior College tied for third with 14 nominations apiece and Orange Coast followed with twelve.

All in all, 130 swimmers were named to the select group representing 31 Junior Colleges. Twenty-seven of the schools are in California, two in Michigan, and one each in Florida and Washington.

TOP JUNIOR COLLEGE TEAM IN THE NATION: Foothill College, winners of Golden Gate, Northern California and California State Championships. Front row (L-R) Peter Read, Manager, Bob McMahon, Glen Finch, Bob Chatfield, Erich Schwall, Mike Biggs, Bill Chandler, Manager, and Nort Thornton, Coach. Back row (L-R) Diving Coach, Campbell, Gary Dahle, Ken Horwege, Orb Greenwald, Roy Howard, Tom Collins, Jerry White. Missing from photo are Bob Kammeyer, Ralph Hutton, Frank Goff, Jim Lambie and Jeff Lodi.

Sophomore Ralph Hutton (Foothill) and Freshman Trevor Charlton (Pasadena) shared the spotlight as both swimmers were each selected in 6 events. They were closely followed by Spike Beck (Fullerton) who was picked in five events. Tom Musch (Chabot) Jim Osborn (Pasadena), Eric Schwall (Foothill), and Randy Senn (Bakersfield) were selected in four events each.

Charlton placed first in three events: the 1650 yard freestyle with a 16:11.6 clocking (National Record); the 200 yard freestyle 1:44.9; and in the 500 yard freestyle with a time of 4:38.0 (National Record) which he shared with Hutton. Charlton was also picked 6th in the 400 yard individual medley, 4:30.4; 8th in the 200 yard backstroke, 2:08.3; and 9th in the 200 yard butterfly at 2:04.0.

Hutton tied Charlton at 4:38.0 in the 500 yard freestyle and was first in the 200 yard butterfly at 1:56.1. He also placed 2nd in the 1650 yard freestyle at 16:32.6, 4th in the 200 yard backstroke at 2:05.3, 5th in the 200 yard freestyle at 1:47.3, and 7th in the 400 yard individual medley at 4:32.1.

Eric Schwall of Foothill was the only other swimmer with more than one first place pick. Schwall was first in both freestyle sprints. His time in the 50 yard freestyle was 21.5 for a new National record and 47.2 in the 100 yard event.

Long Beach City College swimmers collected three first placings. Jeff Losch was first in the 100 yard butterfly, 52.1. John Kiddie was first in the 200 yard backstroke at 2:00.0, and teammate Don Taylor rounded out the threesome with first in the 100 yard breaststroke at 1:01.7. All three placed second in their specialty stroke at the other distance. Fullerton Junior College swimmers Spike Beck and John Mattos also collected first place picks. Beck was first in the 400 yard individual medley with a time of 4:23.0 and Mattos was first in the 100 yard backstroke at 55.0.

Tom Webb and Hubie Kerns of Los Angeles Valley College each led in an event. Webb was placed first in the 200 yard breaststroke, 2:15.2, and Kerns picked up his first in the 200 yard individual medley, 2:01.5.

Top divers on the All-American team, who were named for both springboard events were: Greg Bryan (El Camino), Gary Dahle (Foothill) who was first in both boards at the California State

ALL AMERICA DIVERS, (L—R) Gary Dahl, Foothill College and Dennis Hope, Diablo Valley.

Championships, Frank Groff (Foothill), Dennis Hope (Diablo Valley), Jim Lambie (Foothill), Jeff Lodi (Foothill), Richard Miller (Bakersfield), Andre de Ridder (Chabot), and Rich Simmons (Chabot). Bryan, Dahle, Groff, Hope, and Simmons are repeats from last year.

The Foothill teams were first in all three relay events. In the medley relay, the team of Bob McMahon, Jerry White, Bob Chatfield and Schwall was just one-tenth of a second off the National Record with a time of 3:37,3. Long Beach (Kiddie, Taylor, Losch, and Dick Wilkes) was second at 3:37.5. In the freestyle relays the teams of Glen Finch, Orb Greenwald, Hutton, and Bob Kammeyer was first in the 400 yard event at 3:14.1 and Bob Friend, Chatfield, Schwall, and Hutton combined to set a National Record of 7:09.5 in the 800 yard relay.

SEAMAN, TYLER, LEE, VICTORIOUS IN 2ND ANNUAL CITRUS INVITATIONAL

Orlando, Florida – R. Seaman, F. Tyler, D. Lee, S. Lanford, and M. Mills were all big scorers at the Second Annual Citrus Invitational, in which eighteen swim clubs competed for honors.

Seaman, swimming for the Orange County Y in the girls' 10 & under class, continued her winning ways with a clean sweep of every event in which she was entered. She took the 50 yd. (sc) free in 29.1, the 100 yd. free in 1:06.1, the 100 yd. back in 1:19.2, the 50 yd. breast in 39.0, the 50 yd. fly in 32.0, and the 200 yd. individual medley in 2:45.6.

F. Tyler, OCY, took five victories in the boys' 13-14 class without much ado, the 100 yd. free, 51.2, the 200 yd. free, 1:53.5, the 100 yd. back, 1:02.2, the 100 yd. fly, 56.2, a new record, and the 200 yd. IM, 2:11.2. He also stepped up to the men's open class for a solitary successful appearance in the 500 yd. freestyle, clocking 5:11.8.

D. Lee was also a busy winner in the boys' 11-12 class. The Winter Park Y ace took the 100 yd, free in 1:00.5, the 200 yd, free in 2:12.2, the 100 yd, back, 1:12.1, was overtaken in the 200 yd, breast by Cocoa Beach's L. Brock, who clocked 1:17.4, but went on to win the 100 yd, fly in 1:08.5 and the 200 yd, IM in 2:30.9.

S. Lanford, South Brevard Y, and R. Cobb, WPY, staged a fierce rivlary in the boys' 10 & under class. In the 50 yd. free Lanford found a friendly judge who gave him the winner's nod as he clocked 29.3 to Cobb's 29.2. Lanford won the 100 yd. free in 1:03.5, after which Cobb was assertive enough in the 100 yd. back to gain a 1:14.5 record with his win. Lanford came back to win the 50 yd. breast in 37.8. They stroked to a deadlock in the 50 yd. fly at 32.7 apiece, but Lansford had the last word in the 200 yd. IM, clocking 2:40.2.

In the girls' 13-14 class, M. Mills of WPY took the 100 yd. free in 59.8, the 200 yd. free in 2:11.3, the 100 yd. breast in 1:22.4, and the 200 yd. IM in 2:31.0. Teammate C. Howland took care of the rest as she clocked 1:10.9 for the 100 yd. back and 1:08.4 for the 100 yd. butterfly.

OCY's G. Corrigan was a triple winner in the Men's open class as he posted 51.8 for the 100 yd. free, 1:57.0 for the 200 yd. free, and 2:15.9 for the 200 yd. IM.

In the girls' 11-12 class S. Wagner, WPY, won the 100 yd. free in 1:01.6, the 200 yd, free in 2:12.4, and the 200 yd. IM in 2:35.7. Teammate J. Startzman was not far behind with wins in the 100 yd. back, 1:15.5, and the 100 yd. fly, 1:12.0.

K. Tameling took two in the women's open as she clocked 2:08.9 for the 200 yd, free win by over sixteen seconds, and 5:46.1 for the 500 yd, free.

Other winners were, in the boys' 13-14 class, K. Lester, WPY, who clocked 1:13.2 for the 100 yd. breast ahead of Platinum Coast's W. Murray, who returned 1:13.4; in the open, J. Hegert, OCY, who took the 200 yd. back in 2:12.6, T. Harmon, SBY, who won the 200 yd. breast in 2:31.7, and K. Spohn, SBY, who won the 200 yd. fly in 2:17.8; in the girls' 11-12 class, L. Culley, WPY, who won the 100 yd. breaststroke in 1:20.9; and in the women's open, J. Hepworth, OCY, who edged A. Jester, WPY, in the 100 yd. free, 1:00.6 to 1:00.8, M. Duay, WPY, who clocked 2:36.4 for the 200 yd. back, V. Brock, CBSC, who won the 200 yd. fly in 2:35.1, and L. Tiers, VBSA, who won the 200 yd. IM in 2:33.9.

AUSSIE BETTERS SWIM MARK

Melbourne, Australia - Graham White, 17, a member of the Australian Olympic team, bettered the world record for the 1,650 yd. freestyle as he clocked 16:59.4. White swam in a short course pool so his time will not be submitted for ratification. His time betters by 11.6 seconds the mark set by Jon Konrads in 1960, but is one minute slower than the American pending mark of 15:59.4 by Mike Burton at the 1968 NCAA Championships.

32 PREPS REPRESENTED ON 1968 ALL AMERICA

PINECREST LED BY WARBURTON RIP RECORDS & DOMINATE SELECTIONS

Lawrenceville, New Jersey - All American Tom Warburton. 17. Pinecrest set two individual National Prep School records, and swam on the top ranked Pine Crest 400 yd freestyle relay that set a National Prep record. The Pine Crest school, coached by Jack Nelson also ripped the National Prep 200 yd, medley record.

Ninety-four swimmers plus 11 divers from 32 schools are represented on the National Interscholastic Swimming Coaches Association 1968 Prep School All America, announced Phillip Pratt, Lawrenceville School, chairman of the Prep All America Committee.

Pine Crest showed great depth as they placed 11 swimmers and one diver on the prep honor roll. Lawrenceville, coached by Pratt and George Schonheiter, was almost as strong as 10 swimmers and one diver from the perennial prep powerhouse made the All America. Williston and Mercersburg each placed seven swimmers with the former also adding a diver to the selection. Newark Academy had six swimmers, two divers, and Deerfield and The Hill each had six swimmers make All America.

STEVE HAIRSTON TOM WARBURTON

But the top honors for the year must be accorded to 180 lb Warburton, His 1:59.5 for the 200 yd, individual medley set a new prep record, as did his 3:46.9 for the 400 yd. freestyle. The latter mark erased Tom Johnson's mark of 3:52.7 set in 1965 by more than 51/2 seconds. In addition to his two records and top seeding, Warburton placed first in 200 year freestyle (1:46.5), third in 100 yd. butterfly (53.5), tied for third in 100 yd. breaststroke (1:03.5) and ranked sixth in the 100 yd freestyle (48.8).

Pine Crest enjoyed a double premiere renking from Steve Hairston, 18. Steve successfully defended his first place rank in the 100 yd. freestyle (48.2) and knocked a tenth of a second off of his second place 1967 listing with a 21.6 this year.

University's Jim Gottschalk had the tough luck to clock a tenth slower than Wardlaw's Jay Hoffacker in the 100 yd. backstroke. Hoffacker clocked 55.8 to gottschalk's 55.9, the latter also being the runnerup to Warburton in the 200 yd. medley,

Randy Smith, The Hill School, also was a double runnerup. Randy placed second in both the 200 yd. and 400 yd. freestyle events, clocking 1:47.1 and 3:48.0

Mercersburg's Bill Ford edged Pine Crest's Randall Wilkins for the premiere ranking in the 100 yd. butterfly, clocking 53.1 to 53.4

In the 100 yd. breaststroke, Lawrencewille's Fred Tullis was the only prep swimmer to break 1:03, as he returned 1:02.6. Mark Chun, Punahou was second, 1:03.0. Tullis also showed he can go the freestyle as he clocked 1:47,9 for the 200 yd, event, fast enough to earn a third place seeding.

In the freestyle sprints, Jim Jackobowski, Malvern and Jim Stokes, Marist both clocked 22.4 for runnerup, while in the 100 yd. event, Albert Ackermann, Williston and Brad McKean, Shady Side, both were timed in 48.5 for a tie as runnersup.

The new National Prep Record relay teams are: (200 yd. medley) Scott Palmer, Murray Grenier, Randall Wilkins, Steve Hairston, 1:40.1 and (400 yd. freestyle) Steve Hairston, Tom Warburton, Randall Wilkins, George Schmidt, 3:13.4.

The diving All America lists only by alphabetical order, but only Richard Eubank, St. Andrews and Don Orlovsky, Newark were holdovers from the 1967 listing, the latter for the third time.

HICKCOX NAMED IN THREE EVENTS INDIANA AND YALE GAIN MOST PLACES IN '68 NCAA ALL-AMERICA

by Don B. Reddish, Chairman, NACC All-America Selection Committee Swimming Coach, University of Utah

Salt Lake City, Utah - Indiana and Yale lead the field in the 1968 NCAA All-America selections, announced Don B. Reddish, chairman of the Selections Committee and Swimming Coach at the University of Utah.

Indiana holds twenty spots on the team, in addition to ten in diving and three in relays. Yale holds eighteen swimming places and three relays. Stanford and USC are tied for swimming berths earned at fifteen, as well as placing in three relays. Stanford has a slight edge in having won one diving spot.

Thirty-seven schools are represented in the 1968 All-America; this is two more than last year.

The winner of each event at the NCAA Championships is automatically selected for top spot on the All-America team; the second place finisher is also awarded second on the team. Thereafter, it is primarily on the basis of verified times throughout the season with performance at the NCAA's taking precedence over all else (the swimmer must be present), and next the performance in the conference or regional championships, and lastly, performances in dual meets. No distinction is made in the certificates awarded except that the NCAA winner will have this noted on his certificate.

All Americans who are repeating from 1967 season are Charles Hickcox, of Indiana University, Zachary Zorn and Michael Burton of the University of California at Los Angeles. Hickcox, who was a one-man gang at the championships, winning the 100 and 200 yard backstroke and the 200 year individual medley, also was a member of Indiana's 400 yard freestyle relay and 400 yard medley relay teams which earned All-America selections.

Zac Zorn, UCLA's brilliant sprinter, repeats this year as first in the 50 yard free and also emerges on top in the 100 yard free, as well as being a member of UCLA's All American 400 yard freestyle relay team. Teammate Mike Burton, who has proved himself unbeatable at the 1650 year freestyle, again repeats as top All-American at his favorite event.

Also receiving first-place certificates this year are: Donald Schollander, Yale, 200 yead free; Gregory Charlton, University of Southern California, 500 year free; Douglas Russell, University of Texas at Arlington, 100 yard butterfly; Phillip Houser, University of Southern California, 200 yard butterfly; Richard Nesbit, University of Texas at Arlington, 100 yard breastroke; Phillip Long, Yale, 200 year breastroke; William Utley, University of Indiana, 400 yard individual medley; James Henry, University of Indiana, 1 meter diving; and Keith Russell, Arizona State University, 3 meter diving.

ALL AMERICA POLO
COMPETITORS SELECTED

by Chuck Hines

Water poloists representing teams from as far east as New York, as far west as Hawaii, as far north as Iowa, and as far south (west) as New Mexico have been selected for High School, Junior College, and College All-America honors by a committee of coaches operating under the auspices of the American Swimming Coaches Association. Selections were based on performances for the 1967-68 school year and were delayed this year to allow for the increasing number of teams which are playing polo in the spring months.

As usual, Californians dominated the All-America lineups. Over 200 California high schools, junior colleges, four-year colleges, and universities fielded water polo teams during the recent school year. This is more than all the remaining states combined. More important, the caliber of playing in California, as elsewhere, continued to show improvement. New teams and leagues were visible in the Visalia, Sacramento and San Diego areas, complementing those already in existence.

Trailing California in number of All-Americans were, in order, Illinois, Missouri, Hawaii, and Iowa. Several other states were also represented. Special mention should go to the Philadelphia area and the Florida Gold Coast area, both of which are now actively promoting polo and will be making their presence felt on the national scene soon. There is increasing action in the Albuquerque area, and a number of teams are now playing in Nebraska, including the 1967 and 1968 state swimming champions from Omaha Westside High.

The Chicago, St. Louis, and Des Moines communities continue to produce a growing number of teams and competent poloists. These boys are now starting to attend midwestern colleges, giving them—especially Indiana, Loyola, Western Illinois—real strength and, hopefully, a chance to catch up with the outstanding California teams in the near future.
