

**ONE
OF THE
SMALLEST
BIG COMPANIES
YOU'LL EVER
SEE . . .**

Sure, Recreonics is recognized as one of the largest suppliers of swimming pool, aquatics, and recreational equipment in the country. We supply the needs of the coach, the dealer, and the recreational director. But that doesn't mean we have fifteen vice-presidents and a vast army of secretaries. When you need assistance, or quality equipment from our fully stocked warehouses, call us. You don't have to go through five or six people to get results. Our professional staff is ready to serve you economically and quickly.

Some people call Recreonics big. Some may call us small. We like to think of ourselves as efficient.

The new edition of Swimming Pool, Aquatics and Recreational Equipment Buyers' Guide and Operations' Handbook illustrates this equipment — quality fabricated with our own special brand of care and personal attention. May we send you a copy?
