How can UltraSwim gently remove so much more chlorine than the leading shampoos?

New UltraSwim is the only shampoo with a patented ingredient effective enough to remove over 84% of the chlorine that can severely damage your hair. Laboratory tests prove that UltraSwim removed nearly twice as much chlorine as any leading shampoo:

FINESSE REGULAR	24%
SALON SELECTIVES LEVEL 3	36%
PERT PLUS	43%
NEXXUS ASSURE	44%
PAUL MITCHELL ONE	45%
ULTRASWIM	84%

Results of laboratory tests showing the percent of chlorine removed by each shampoo.

Product names are trademarks of their respective owners.

But the true secret of New UltraSwim is not how well it removes chlorine, but how gently it does it. Plus, there's a New UltraSwim made especially for your kind of hair. Moisturizing Formula for all hair types, and Revitalizing Formula for permed or colored hair. Try New UltraSwim and discover how it's effective enough to remove nearly twice the chlorine, and gentle enough to use everyday. UltraSwim is the official supplier to the United States Swimming National Teams and Swim America.

UltraSwim®
Gently Gets The Chlorine Out.

PINE CREST SCHOOL

FORT LAUDERDALE, FLORIDA

A DREAM for most swimmers is to find a high school with exemplary academics, interscholastic swim team, and easy access to a year-round USS program—all on the same campus. This dream is a reality at Pine Crest.

Founded in 1934, this college preparatory school serves boarding boys and girls in Grades 7 through 12 as well as day students from Pre-kindergarten through Grade 12. The academic program offers Advanced Placement courses in all departments and there is a variety of offerings in band, dance, chorus, drama, studio art and political activities sponsored by the unique Institute for Civic Involvement. The Upper School Computer Lab houses 24 networked Apple Macintosh SE models.

Pine Crest students enjoy the benefits of participation on more than 50 athletic teams, including varsity swimming and diving. They may also join USS swimming and USD diving teams. One 50-meter and two 25-yard pools form an aquatic complex located on the 47-acre school campus.

You are welcome to contact Dr. John W. Harrington for information about the school's academic and boarding programs. His telephone number is **(305) 492-4103**. There is a policy of non-discrimination in all school programs.

Pine Crest School • 1501 Northeast 62nd Street • Fort Lauderdale, Florida 33334-5199
