During the year the coaches will have changes to practice and swim meet times and cancellations due to scheduling conflicts or weather conditions. In the past we have used a phone chain to communicate these changes. While the phone chain will still be in use, I would like to add the ability to send group text messages to relay any changes. Below is an authorization to utilize this group text. This will only be done by the head coach when changes occur. If you wish to be included in the list please indicate the phone number the text should be sent to. This can be either the parents phone or swimmers phone. If you choose not to participate in this type of communication we will use the phone chain to advise you of any changes.
